

### REMARKS

This Amendment and the accompanying Statement and substitute Sequence Listing are being submitted in response to an Office Action dated May 25, 2005, which indicated error(s) in the Sequence Listing submitted on March 14, 2005. The substitute Sequence Listing differs from the Sequence Listing submitted on March 14, 2005, only in the correction of the error(s) noted on the Raw Sequence Listing Error Report received with the Office Action dated May 25, 2005. Entry of this Amendment is respectfully requested.

Submitted herewith is a Statement that the substitute Sequence Listing introduces no new matter and that the content of the paper and computer readable forms of the substitute Sequence Listing submitted herewith is the same.

In view of the above, it is submitted that this application is now in good order for allowance and such allowance is respectfully solicited. Should the Examiner believe minor matters still remain that can be resolved in a telephone interview, the Examiner is urged to call Applicants' undersigned attorney.

Respectfully submitted,
